

Primary Care Recruitment Specialists

Introduction

Welcome to Key Locums

Key Locums provide fully managed healthcare recruitment solutions to organisations across the UK. We have a wealth of knowledge and experience in working with healthcare professionals from a variety of sectors.

Through our personal approach and positive communication with our clients, we have established an extensive database of surgeries and hospitals which regularly use us.

Our service is professional, courteous, and reliable. We offer dedicated recruitment officers who will act as your personal point of contact.

We seek to provide excellent provisions with strong emphasis on anticipating, understanding, and responding appropriately to client and doctor needs. Our attention to detail means everything operates smoothly. From your initial enquiry to getting cover - it's all hassle free.

We are proud members of the Recruitment and Employment Confederation and the Federation of Small Businesses, as well as an approved agency adhering to the codes of practice detailed by the NHS Employers.

About Us

Founded in 2008, Key Locums has grown to become a leading national healthcare recruitment agency, providing full healthcare cover for GP practices, walk in centres, and out-of-hour services. Our healthcare professionals are fully qualified and trained on a variety of computer systems, most of which are available at short notice.

We Recruit...

General Practitioners

Nurse Practitioners

● Practice Nurses

● Non Clinical Support

Social Responsibility

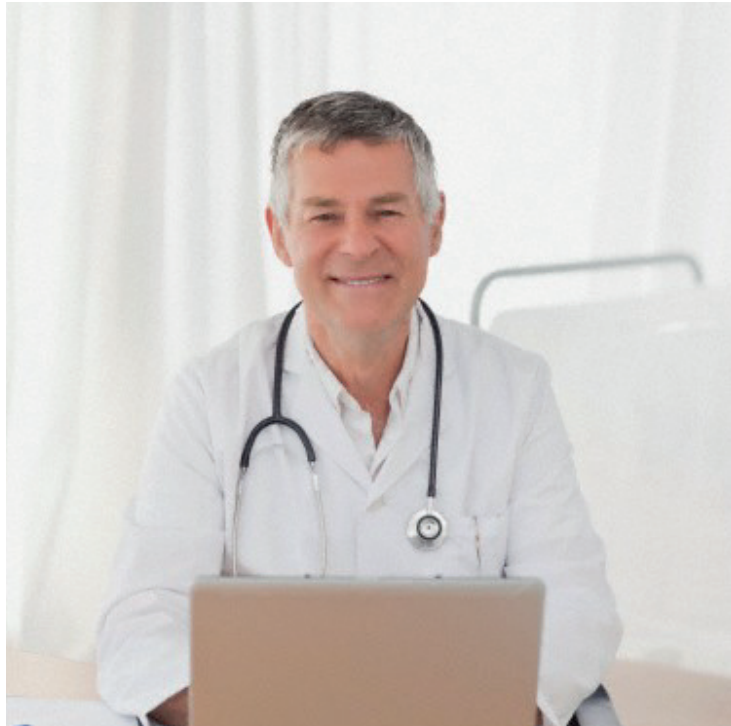

Key Locums staff are encouraged to participate in voluntary service, helping the community with the virtue of altruism. We believe monetary gain is not the purpose and it is better to give than to receive. As a result of this, we have formed partnerships and currently assist in various health and social care charities around the West Midlands.

Our Values

- Effective Communication
- Client Focus
- Professionalism
- Teamwork
- Innovation

Our Clients

With the emergence of new clinical commissioning groups (CCGs) in the NHS landscape, we are looking to collaborate and establish new, streamlined ways of working, personalised to your situation. Our recruitment services can be utilised by groups of surgeries or new providers, providing a bespoke low cost solution.

Key Locums aim to provide exceptional quality, clinically safe and trustworthy healthcare professionals to an array of healthcare related organisations. We endeavour to excel in client and agency worker service using clear communication, feedback, continual learning, and innovation.

Key Locums have a rigorous vetting process for all healthcare professionals. We continue to monitor their performance through feedback and their registered bodies, in order to ensure that the service provided meets the needs of our clients.

Key Locums are committed to providing quality medical recruitment services to a wide range of clients including:

- General Practice

- Prisons

- Military Services

- Out of Hours Co-operatives

- Occupational Health

- Hospitals
